

Amoena Essential Deluxe

Secure fit with a gentle hug

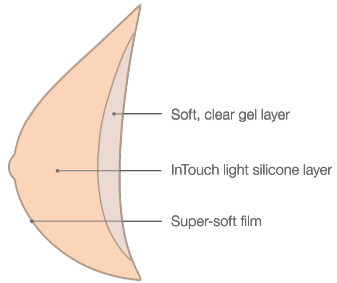

Features & Benefits

- Soft, lightweight form provides a natural feeling and appearance
- Lightweight silicone front layer makes the form 30% lighter than standard silicone breast forms of the same shape
- Soft, flowable silicone gel back layer hugs the body securely, fitting to the unique shape of the chest wall
- Extra gentle to scar tissue

Insurance Coverage

See pg. 33 for PDAC registration and HCPC Code information.
