

One place for it all.

Made just for you.

Personal cleansing
cloths and bathing wipes

You could shop around
for everything you need.

Or do it all with one click or call.

Fast, efficient, easy. That's Cardinal Health. And when you need personal cleansing cloths and bathing wipes, you'll find the products that make sense—and none that don't.

These products are available in both scented and unscented formulas. All are free of dyes, alcohol, lanolin, parabens, phthalates, sulfates, 1,4 Dioxane, triclosan and Q-15. We also offer bathing wipe warmers and shampoo caps. In short, everything you need is right here.

Rest assured, we put the same care into our product line selection as we do the products inside it. So you'll find a streamlined set of products that's more efficient to order from, deliver and store. Now, you have a single source for it all.

Personal cleansing
cloths and bathing wipes

Smarter packaging for better care.

Simple icons identify our bathing wipes, personal cleansing cloths and bathing accessories. So it's faster and easier to find what you're looking for in the supply room. And simple labels tell you what's inside every package.

Bathing Wipes

These ready-to-use, premoistened wipes have pH balance and no-rinse* formulations that help eliminate odors. Fragrance free options are available as well.

- Convenient, resealable packs
- Infused with aloe to soothe and moisturize skin
- Available in heavy, medium and standard weights—with antibacterial (Benzalkonium Chloride) and Dimethicone options
- CHG compatible

Personal Cleansing Cloths

Ideal for incontinence and quick clean-ups, these products have a gentle, no-rinse formulation. The soft cloth is infused with aloe to soothe and moisturize skin. They're pre-moistened, ready-to-use and come in resealable packs.

- pH balance formulation
- Effectively removes urine and feces
- Available in an array of package counts, with flushable, non-flushable and fragrance-free options
- CHG compatible

Bathing Accessories

Shampoo cap:

This no-rinse, fragrance-free cap is disposable and comes in an easy-to-open tear pack.

Bathing wipe warmer:

Comfort your patients while managing your time and budget more effectively. Our 18-slot warmer features FIFO (first-in, first-out) technology and downloadable electronic reports to help you use every wipe more efficiently. With an intuitive interface and visual/audible queues, our warmer gives you more time to focus on patient care.

- For optimal results, use with our bathing wipes and shampoo cap
- Self-cleaning and self-diagnosing, so there's less down time
