

One place for it all.

Medicated wipes

Made just for you.

CardinalHealth
Essential to care™

You could shop around
for everything you need.

Or do it all with one click or call.

Fast, efficient, easy. That's Cardinal Health. And when you need medicated wipes, you'll find the products that make sense—and none that don't.

Everything you need is right here -- sterile alcohol prep pads, saline wipes, castille soap towelettes to adhesive remover and nail polish remover pads. All products are free of dyes, paraben, phthalates, sulfates, 1,4 dioxane and Q-15 and are not made with natural rubber latex.

Rest assured, we put the same care into our product line selection as we do the products inside it. So you'll find a streamlined set of products that's more efficient to order from, deliver and store. Now, you have a single source for it all.

Smarter packaging, for better care

A simple icon identifies our medicated wipes. And our color coding system allows you to quickly identify one wipe from another so it's faster and easier to find what you're looking for in the supply room. Our simple labels tell you what's inside every package.

Alcohol Prep Pad

- Available in two sterile, individually packaged convenient sizes; medium and large
- Manufactured according to current FDA regulations
- Meets the USP testing requirements for purified water
- Contains 70% isopropyl alcohol
- Compatible with CHG
- Soft, non-woven pads provide excellent absorbency
- Used as a topical antiseptic; preparing skin for injections

Castile Soap Towelette

- Naturally derived from coconut oil for a gentle, pH balanced cleansing without drying skin
- Available in a soft, non-woven absorbent towelette which is ideal for midstream clean-catch urine specimen procedures
- Used to clean oily or dirty skin

Adhesive Remover Pad

- Individually packaged, non-woven pads
- Removes tape and other adhesive residues from the skin easily and pain-free
- Contains aloe to help prevent the skin from drying out
- Won't leave an oily residue

Saline Wipe

- Available in individually packaged, lint-free towelettes saturated with sodium chloride and purified water for mild cleansing
- Free of all dyes, fragrances, alcohol, lanolin, paraben, phtalate, sulfates, 1,4-Dioxane, and Q-15
- Safe and gentle
- Used for cleaning cuts and scrapes
- Reduces the risk of cross contamination and eliminates the waste from saline bottle solutions

Antiseptic BZK Towelette

- Contains well-known antiseptic Benzalkonium Chloride
- Helps prevent the risk of infection in minor cuts, scrapes, and burns
- Towelettes gently cleanse and refresh
- Designed for everyday use

Nail Polish Remover Pad

- Available in individually wrapped foil packets for easy use
- Can remove polish from 10 nails with just one pad
- Acetone free
