

Medline Odor Eliminator Products

Total odor control for your facility.

Fresh air for healthcare

Help eliminate odors naturally and effectively

Healthcare facilities can be prone to human malodors, as well as odors from antiseptics and other chemicals. These unpleasant smells can negatively affect how people view your facility.

Our latest addition to the line, Advanced Fresh keeps wheelchair pads, mattresses and air vents smelling fresh without a lingering scent.

Natural ingredients to help freshen air

Employ the power of science and nature to destroy lingering smells and enjoy an odorless environment. Medline Odor Eliminator products contain refreshing scents commonly found in nature.

Advanced Fresh Odor Eliminator Sprays

- Essential oil based formulation eliminates odors in the air and on fabric without harsh chemicals,
- Versatile spray can be used to freshen a room, air vents, on wheelchair pads, mattresses and more
- Eco-friendly, non-toxic, and pH balanced
- Does not contain harsh chemicals

Item No.	Description	Pkg.
MFA02	2-oz Spray Bottle	24/cs
MFA08	8-oz Spray Bottle	12/cs

Did you know?

X-O® X-O Odor Neutralizing Technology uses a blend of deionized water and natural plant oils to eliminate odor without perfumes or toxic aerosols. It's PH-balanced and safe to use on any surface—even those that come into contact with people and pets.

Refresh your facility

The malodor molecules responsible for unpleasant odors exist in both liquid and air. These molecules rapidly alternate between the two phases, in a process called dynamic equilibrium. Total Malodor Management® (TMM), present in Naturally Fresh Odor Eliminators, disrupts the dynamic equilibrium by latching onto the malodor molecules and preventing them from transferring back into the air.

Naturally Fresh Odor Eliminators

- Plant-based formulation treats a broad spectrum of odors without leaving behind artificial masking agents or chemical fragrances
- Naturally Fresh products use science to bond with and help neutralize odor molecules
- Fresh, neutral scent

Item No.	Description	Pkg.
MF568	1-oz Ostomy Drops	12/cs
MF551	2-oz Spray Bottle	24/cs
MF553	32-oz Spray Bottle	6/cs

Clean,
plant-based
scent

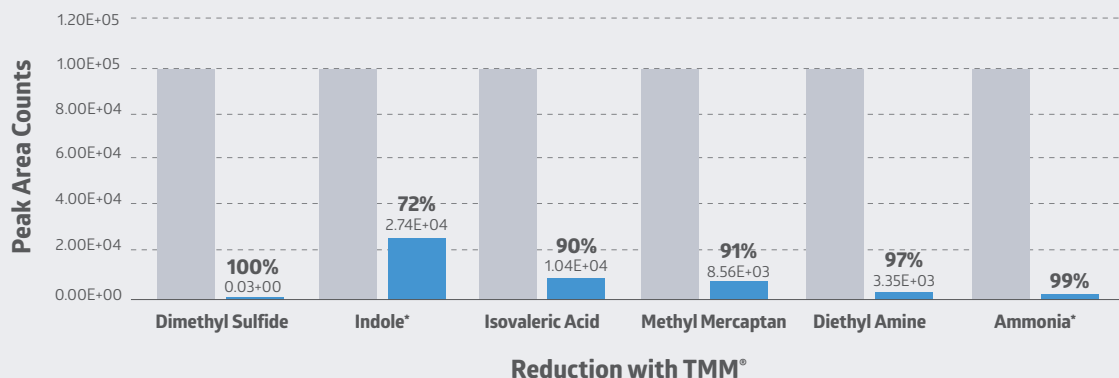

Natural ingredients help freshen air

You'll notice hints of clove, lime, spearmint, aniseed, cedarwood and eucalyptus.

Headspace and Sensory Effect of TMM^{*1}

TMM molecules effectively reduce the presence of common malodors in the air.

^{*1}Naturally Fresh helps minimize odors caused from bodily fluids.
