

Packing Strips

McKesson Packing Strips are designed for nasal packing, dental packing, or as packing for open or infected wounds. Specially woven with a salvaged-edge, ravel-resistant gauze that is designed to resist linting or fraying. Strips with Iodoform provide an additional antiseptic property for minor cuts and wounds. Our packaging also features a convenient in-package dispenser designed to help ensure ready access and facilitate caregiver convenience.

Features and Benefits

- Easy dispensing packaging (patent pending) helps facilitate caregiver convenience
- Made of 100% cotton, ravel-resistant gauze designed to resist linting or fraying
- Available with or without Iodoform
- Conveniently designed for secure storage and extended shelf life
- Sterile until opened
- Not made with natural rubber latex
