Feel the difference!

GentleCath™ is designed to make catheter insertion and removal as smooth and easy as possible for the patient.

- Polished and rounded eyelets minimise friction.
- Soft, rounded tip aids smooth insertion.
- Available in male and female straight tip and male coudé tip, for insertion through complicated passages.

See the difference!

- Color coded connector for easy FR size identification.
- Available in a wide range of sizes to meet your patients' needs.
- Fits drainage bags or other devices.
