### Features

Pressure-based system is superior to timing-based systems  
 Self diagnostic electronics minimize troubleshooting time  
 Top handle for ease of mobility  
 Battery-free power loss alarm, compressor 35 psi pressure-relief valve and low flow alarm

### Provider Benefits

Robust design comes standard with Invacare® SensO2® oxygen monitor to simplify preventative maintenance schedules and lower costs  
 All Perfecto2 V stationary concentrators include a HomeFill system port for inventory flexibility  
 Patient-accessible reset button helps minimize emergency service calls

### Patient Benefits

User friendly design with easy to see control panel, humidifier bottle holder and filter access  
 Low noise level and neutral color help to blend into any home environment  
 Reliable concentrator provides unlimited, worry-free refillable oxygen supply

HCPCS Code: E1390

1. Invacare® HomeFill® Oxygen System connection
2. HomeFill compressor and Ready Rack have been updated to coordinate with the Perfecto2 Concentrator. Use with Invacare cylinders
3. Easy to maintain filter (not pictured)
