## CUSHION GRIP

Re-Order #	Unit
<input type="checkbox"/> 201020	6/Bx.
<input type="checkbox"/> 201030	36/Cs.
<input type="checkbox"/> 201170	6/pk
<input type="checkbox"/> 201175	6/pk

Recommended for stroke and other patients whose hands close involuntarily. Filled with resilient pile fabric and covered with perspiration absorbing cloth, the Cushion Grip prevents patients from digging their nails into their palms. It also serves as a mild form of hand exercise. An elastic band prevents the Cushion Grip from being dropped. Machine launderable.
