

**DURABLE**

**The OptiFlex-K1. Enduring Profitability.**

## Guaranteed Durability

Now you can benefit from the German-engineered design of the OptiFlex-K1 with proven durability worldwide. And it's backed by the industry leading **2-Year** DJO Global Warranty, allowing you the enduring profitability you demand for your CPM business.

### Manage your CPM device investment more effectively

Continuous reliability means lower investment over the life of the product, saving you time and money.

### Reduce repair costs significantly

OptiFlex-K1 provides consistent high performance day after day, long after other CPM's have been retired for spare parts. Durable construction means fewer repairs and more time in the field.

## Profitability Ensured

Reduce overhead and service costs while increasing CPM therapy profits.

*Simplify CPM equipment inventory by selecting from one of three hand controllers for the same CPM unit*

## Profitable Flexibility

**Classic      Standard      Comfort**

OptiFlex-K1 offers 3 unique hand controllers capable of matching the K1's performance settings precisely to the specific needs of the patient. This assures that the patient will receive the right therapy treatment, right when they need it.
