A Sense of Security Means Everything

CeraPlus™ Barrier Extenders

At Hollister™ Ostomy Care, we know a sense of security and leakage prevention are top priorities for you.

Our CeraPlus™ barrier extenders offer an additional layer of protection for those concerned about lifting around the edges of their skin barrier. With a thin and flexible hydrocolloid formulation, CeraPlus™ barrier extenders conform easily to body contours. Three convenient strips make it easy to create a custom frame around the skin barrier. The end result is enhanced sense of security, when it matters most.
