

**No water, no mess.  
Unlike the rest.**

Thanks to its unique, self-hydrating coating, MAGIC<sup>3</sup> Go<sup>®</sup> with CLEANGLIDE<sup>™</sup> technology provides you with control, comfort and confidence. You never have to deal with the mess of water or lubrication because the coating is already hydrated. Simply open the package, and it's ready to go—no matter where life takes you.

No one chooses to use catheters everyday, but for people who need to, we promise to provide great products, services and support from your doctor's office to your home, your life and anywhere you love to be.

**No water,  
no mess.**

**Magic<sup>3</sup> Go<sup>®</sup>**  
hydrophilic intermittent catheter  
with CLEANGLIDE<sup>™</sup> technology

16" male length catheters

Simply unlike any other catheter.

## Control

## Comfort

## Confidence

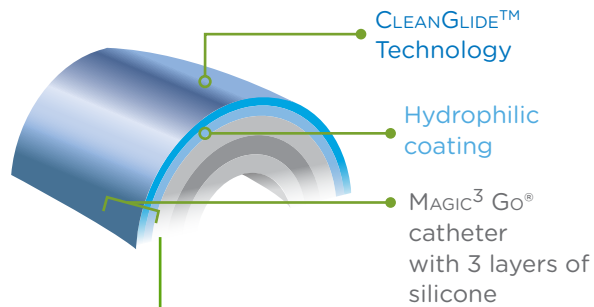

### SUREGRIP™ insertion sleeve

The MAGIC<sup>3</sup> Go<sup>®</sup> provides control with a no-touch insertion technique—allowing the catheter to be held firmly without touching the surface, minimizing the risk of contamination.

### New, unique CLEANGLIDE™ technology

CLEANGLIDE™ is a lubricious hydrogel that maintains the catheter in a hydrated state without requiring activation or lubrication prior to use.

### Saves time

Thanks to the MAGIC<sup>3</sup> Go<sup>®</sup> catheter there is no need to activate the coating or add lubricant anymore. It is ready to go out of the package.

### Three-layer silicone catheter

With its self-hydrating coating, the MAGIC<sup>3</sup> Go<sup>®</sup> with CLEANGLIDE™ technology is designed to glide easily and comfortably through the urinary tract.

### Tapered tip and comfort sized eyelets

Enables ease of catheter movement in sensitive areas of the anatomy.

### Discreet packaging

The MAGIC<sup>3</sup> Go's package is discreet and gives you the ability to carry it folded in a compact format. The adhesive folding tab frees up your hands by attaching to dry, vertical surfaces.

### Easy to carry

### Easy to open

### Easy to use
