

Over half of people living with an ostomy still experience embarrassment 5 years after surgery¹

Studies suggest that their emotional challenges can be addressed with choice or discretion.^{2,3}

Choice

for greater acceptance

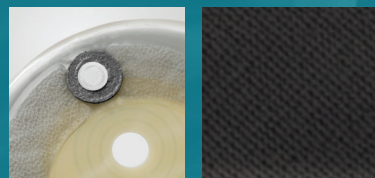

Having a choice between a gray and black ostomy pouch can help your patients feel they have regained some control over their body – and everyday life.²

Discretion

for greater confidence

SenSura[®] Mio ostomy pouches are designed for discretion with quiet material and a full-circle filter for proven odor control and a 61% reduction in ballooning.⁴

Did you know that 80% say SenSura Mio in black gives them a feeling of confidence?⁵
