# Transport Chair, Wheelchair, Homecare Bed Parts Guide

Everything you need to keep mobility moving, comfort supported, and care uninterrupted.

## Repair.
## Replace.
## Restore.

# There's no time for downtime.

This guide is designed to help you quickly identify and order the right replacement parts for transport chairs, wheelchairs and homecare beds. From side rails and casters to armrests, wheels, footplates and upholstery, you'll find all the components you need to maintain safety, comfort, and performance—so patients can stay mobile, supported, and cared for. Each section is organized by component to simplify selection and reduce downtime.

### Efficiency

With 50+ US distribution centers and our MedTrans fleet of 2,000 trucks, we offer next-day delivery to 95% of US customers, including settings across the healthcare continuum.

### Value

We're dedicated to improving clinical, financial and operational outcomes for our customers. Our deep portfolio of 335,000+ products meets every preference and need for every chair, cost effectively.

### Reliability

We're the largest medical-surgical manufacturer and supply chain provider in the US. Our investments in infrastructure, people and technology ensure you get what you need, when you need it.
