– BECAUSE WE CARE

ABENA Pants

A soft and secure fit for active users

ABENA Pants can be worn like regular underwear and are a good solution for users who live an active lifestyle. The range covers a wide range of needs and is particularly suitable for people who manage product changes and toilet visits independently. ABENA Pants are also ideal for people with dementia, who tend to resist changes of their incontinence product.

- Super soft and fully breathable materials for optimal user-comfort
- High-performance core and Top-Dry Technology ensure a dry feeling
- Elasticated high waist with lycra threads for a secure fit
- 360° leakage barriers reduce workload and improve user comfort
- Odor Control system for maximum discretion

Incontinence Pants

Pants, ABENA Pants

Item number	Size	Hip size	Absorption Rothwell	Quality level	Pcs per pk / pk per cll
1999905354	XS1	45-70 cm	1400 ml	Premium	24 / 4

ABENA Pants is our Premium range of disposable pants that can be worn like normal underwear with absorption levels covering a wide range of needs. The soft waistband with Lycra threads offers a secure and snug fit, making it ideal for an active lifestyle. The products feature Top-Dry Technology, which ensures skin integrity by keeping the exposed area comfortable and dry even after multiple voids. The products are made from breathable and super soft materials and fitted with lengthwise leakage barriers for extra protection. These functionalities help protect the skin and maintain a natural pH skin balance. The Odor control system minimizes unpleasant smells.

Pants, ABENA Pants Junior

Item number	Size	Hip size	Absorption Rothwell	Quality level	Pcs per pk / pk per cll
1000021317	XS2	50-75 cm	1500 ml	Premium	18 / 5

ABENA Pants Junior XS2 is our Premium pants designed for juniors with quick and uncontrolled urination and who would otherwise fall between baby diapers and adult incontinence products. The fully breathable product offers a narrow core and super soft elasticated side panels for optimum fit perfectly suited for juniors. The specially designed Channel Technology and Top-Dry Technology offer quick absorption and a comfortable, dry feeling. Also, the product is designed to look more like ordinary underwear with a printed textile-like backsheets. The dermatologically tested products have been given the Nordic Swan Ecolabel and are made from FSC™ certified materials.

ABENA Pants is our Premium range of disposable pants that can be worn like normal underwear with absorption levels covering a wide range of needs. The products are made from breathable and super soft material for optimal comfort. The waist band with high number of lycra threads offer a secure and snug fit, making it ideal for an active lifestyle. The high performance core with Top-Dry Technology ensures skin integrity and optimal skin care by keeping the exposed area comfortable and dry even after multiple voids. The combination of leakage barriers (lengthwise and cross barriers) and elastics offer 360 degree leakage protection around the product. These functionalities help protect the skin and maintain a natural pH skin balance. The Odor control system minimizes unpleasant smells. The wetness indicator with graduation scale guides the user and caretaker to the product with the right absorption level. The dermatologically tested products have been given the Nordic Swan Ecolabel.
