NEW CaviWipes™ Canisters

Frequently Asked Questions

FORMER PACKAGING

NEW PACKAGING

What is the difference between the former canister and the new canister used for the CaviWipes line of surface disinfecting wipes?

The new CaviWipes canisters will feature an improved dispensing design, tops color-coded by brand, and easy-to-read labeling.

What differences will CaviWipes disinfecting wipes users experience?

Users will experience easy opening and closing with one hand, easy product identification with color-coded tops, durability from a strong lid hinge, a large well for wipe dry-out protection, and easy wipe pulls from an optimized orifice.

Duck Tail Design
Easy to Open & Close with 1 Hand

Colored Cap
Easier Staff Identification

Strong Hinge
Durable Design

Large Well
Optimal Closure & Wipe Dry-Out Protection

Optimal Orifice
Easy Wipe Pull, No Tears & No Waste

NEW CaviWipes™ Canisters | Frequently Asked Questions

What differences will CaviWipes disinfecting wipes inventory managers encounter?

The new canisters are slightly taller, resulting in a 0.5-inch increase in height for the products shipped and stored by the case. Pallet measurements have increased 2 inches in height.

FORMER PACKAGING

Case Measurements

Height	14.5 in
Length	15.9 in
Width	10.8 in

Pallet Measurements

Height	63 in
Length	15.9 in
Width	10.8 in

NEW PACKAGING

Case Measurements

Height	15.0 in (+0.5 in)
Length	15.9 in
Width	10.8 in

Pallet Measurements

Height	65.0 in (+2 in)
Length	15.9 in
Width	10.8 in

What products are affected?

Canisters for the CaviWipes™ HP, CaviWipes™ 2.0, CaviWipes1™, and original CaviWipes™ brands are affected. Below is a full list of impacted items.

Part No.	Description	Part No.	Description
14-1100	CaviWipes 2.0	13-5100	CaviWipes1
14-1150	CaviWipes 2.0 XL	13-5150	CaviWipes1 XL
13-1100	CaviWipes	16-1100	CaviWipes HP
13-1150	CaviWipes XL	16-1150	CaviWipes HP XL
10-1090	CaviWipes 220CT		

When will the change take place?

These improved canisters will begin shipping as they become available and inventory of older canisters is depleted.

What should be done with CaviWipes disinfecting wipes in the former canister style?

CaviWipes disinfecting wipes existing in inventory may continue to be used until expiration. Product replacement is not necessary.
