Diapering

Reporting for diaper duty

Our diapers, wipes and skincare are thoughtfully and responsibly made, so new parents can feel better about changing time.

Medline disposable baby diapers

- Premium diapers compare to national brands and have an ultra-absorbent core that wicks moisture away to keep baby dry
- Soft, cloth-like materials are gentle on baby's delicate skin
- Stretch waist bands and anti-leak guards help contain messy leaks
- Stretch side panels and repositionable tabs enable a snug, custom fit

Nursing

Mama's little helpers

One of the first stages of baby feeding is breastfeeding. Make it easier, more comfortable and connected for mom and baby with the right supplies and accessories.

Pumping pals

These lightweight, quiet pumps feature a 100% anti-backflow design to eliminate wasted milk and 9 suction modes (4 stimulation and 5 expression) to help simulate a baby's natural nursing rhythm.

Medline double-electric breast pump kits

- Lightweight, portable pump with single and double pumping capability has quiet pump motor and 100% anti-backflow design to eliminate wasted milk
- Large LCD screen shows suction level, mode, timing and more; battery power option allows for flexibility if you're not near an outlet
- Nine suction modes (4 stimulation and 5 expression) help to simulate natural nursing rhythm
- Pump automatically cycles through first 5 suction modes; override the automatic expression settings and increase/decrease suction at any time to maximize your comfort and flow rate
