# Pro-Stat® Renal Care

Sugar free, complete  
liquid protein with  
added prebiotic fiber

with  
15 g of Protein,  
3 g Fiber  
&  
100 kcals  
per 1 fl oz

Tangerine  
Naturally and Artificially Flavored

Net content  
30 fl oz  
(887 mL)

**Pro-Stat® Renal Care** is a ready-to-drink medical food providing 15 g of enzyme-hydrolyzed complete protein, 3 g of prebiotic soluble fiber, and 100 calories per 1 fl oz.

#### Main Features

- Clinically shown in one clinical study to promote pressure ulcer and wound healing\*
- Nutrient dense, providing 15 g of protein, 3 g of prebiotic soluble fiber, and 100 calories per 1 fl oz
- Hydrolyzed collagen protein: high in conditionally essential amino acids
- Sugar free

#### Typical Pro-Stat Amino Acid Profile (g/100 g of protein)

Amino acid profile in collagen protein can naturally vary.

#### ESSENTIAL AMINO ACIDS

Histidine	0.74
Isoleucine	1.70
Leucine	3.10
Lysine	4.50
Methionine	0.80
Phenylalanine	2.20
Threonine	2.20
Tryptophan	0.44
Valine	2.60

#### NON-ESSENTIAL AMINO ACIDS

Alanine	9.30
Aspartic acid	6.60
Serine	3.20

#### CONDITIONALLY-ESSENTIAL AMINO ACIDS

Arginine	8.55
Glutamic Acid	7.00
Glycine	22.00
Proline	12.51
Tyrosine	0.20

#### MODIFIED AMINO ACIDS

Hydroxylysine	0.91
Hydroxyproline	11.45

#### Storage:

- Store at room temperature
- Refrigeration causes gelling
- Discard 3 months after opening
- Record date opened on bottom of container
- **Do Not Use If Seal Is Broken**

For best by date and lot number, see bottom of bottle.

#### Contains 0% Fruit Juice

**Pro-Stat® Renal Care** is a medical food designed for the dietary management of wounds, and other conditions requiring increased protein and prebiotic fiber in low volume. Use under medical supervision.

Nutrients	per 30 mL serving
Calories	100 kcal
Calories per mL	3.3 kcal
Protein	15 g
Fat	0 g
Carbohydrate	6 g
Dietary Fiber	3 g
Soluble Fiber	3 g
Sodium	50 mg
Potassium	20 mg
Phosphorus	50 mg

**Ingredients:** Hydrolyzed Collagen Protein, Water, Glycerin, Polydextrose, Fructo-oligosaccharides (FOS), Malic Acid. Contains 2 % or less: Natural & Artificial Flavor, Phosphoric Acid, L-Tryptophan, Sucralose, Potassium Sorbate (to help protect flavor), Sodium Benzoate (to help protect flavor).

**Distributed by:** Nutricia North America, Rockville, MD 20850  
1.800.221.0308 • [www.pro-stat.com](http://www.pro-stat.com)

**Lactose Free, Soy Free & Gluten Free**

**Viscosity: Honey like**

**Indications:** For pressure ulcers, wounds (diabetic, venous, surgical, burns) and other conditions requiring increased protein and fiber needs in low volume such as dialysis, unintentional weight loss, protein-energy malnutrition, low serum proteins, muscle loss (sarcopenia), fluid restriction, and inadequate protein and fiber intake.

**Administration:** Use under medical supervision. Healthcare professionals should determine intake based on condition, estimated need, and dietary intake. Suggested intake: 1-3 servings per day. Administer orally or through feeding tube. Not suitable for use as a sole source of nutrition. Not for parenteral use. Suitable for adults.

**Oral Feeding:** Can be taken straight or mixed with any hot or cold beverages or food.

#### Tube Feeding:

1. Flush feeding tube with 30-60 mL of water
2. Pour 30 mL of Pro-Stat in a 4-6 fl oz container
3. Add 30-60 mL water and mix well with disposable spoon or tongue blade
4. Administer Pro-Stat via syringe
5. Flush with 30-60 mL of water
