

# Purewick™

FEMALE EXTERNAL CATHETER

## Purewick™ - an alternative to incontinence pads and indwelling catheters for female patients

### Why use a Purewick™?

- Helps reduce urinary catheter days, lowering risk of CAUTI's
- Non-invasive urine output measurement
- Saves time
- Easy to manage
- Designed with comfort in mind, encouraging a restful sleep
- Reduces the risk of moisture lesions by wicking urine away from the body

### Suitable for patients with:

- Urinary incontinence and/or frequent urination
- Difficulty walking from bed or chair to toilet
- Difficulty using a bedpan
- Urinary incontinence that interrupts sleep
- Skin injury or irritation related to urinary incontinence or incontinence pads
- A need for urine output monitoring
