

ESTEEM™  *Flex Convex*

NOW INTRODUCING OUR X-LARGE SIZE (V0) Giving you even more flexibility

The latest addition to the Esteem™+ Flex Convex range provides more options to address a wider variety of stoma and abdomen profiles

- Larger cut-to-fit range for wider diameter stomas
– up to 57mm (2 1/4")
- Helps move skin folds and creases on the abdomen out of the way
- Flexible convexity fits and moves with the contours of the body for comfort and easy positioning
