# Ready-to-Drink THICKENED BEVERAGES

**Thick-It® Clear Advantage® ready-to-drink beverages are convenient and provide proper hydration for people with swallowing disorders, so having dysphagia does not mean having a compromised lifestyle.**

Thickened with xanthan gum and served in convenient re-sealable bottles, Thick-It® Clear Advantage® ready-to-drink beverages are pre-thickened to mildly-thick (nectar) or moderately-thick (honey) consistencies. Ready-to-drink beverages are made with pure Artesian mineral water, and are available in water, coffee, orange juice, apple juice and cranberry juice. Thickened juices contain 100% juice with added ingredients, with no added sugars or high-fructose corn syrup, and our thickened water has no lemon flavor or artificial sweeteners.

No more mixing or shaking to achieve the proper consistency, with Thick-It® Clear Advantage® Beverages, the beverages you serve your patients are the proper consistency — safe and reliable every time. Pre-thickened beverages can help save you and your staff time and improve patient satisfaction.

READY-TO-DRINK  
THICKENED BEVERAGES

### Thick-It® Clear Advantage® Beverages

**Thickened Water** – Made with clear Artesian mineral water and with no lemon flavor added, our thickened water is sugar- and taste-free. Freeze to make ice cubes or add powdered drink mixes for convenient and tasteful varieties, including tea, coffee, cocoa, broth, lemonade, milk, laxatives or nutritional drink powders.

**Thickened Coffee** – Our thickened coffee has a smooth texture and is made with a premium roast blend that your patients will enjoy. Add powdered creamer and sugar to taste or add powdered cocoa mix for a mocha.

**Thickened Apple Juice, Cranberry Juice Blend and Orange Juice Blend** – Made with real 100% juice with added ingredients, our thickened ready-to-drink juices contain no high-fructose corn syrup, and have 100% daily value of vitamin C per serving. Perfect for breakfast, lunch or dinner menus, or for a refreshing juice break. Freeze your favorite juice to create a popsicle treat.
