A complete line of absorbent *incontinence solutions*

Briefs

McKesson Brand briefs are designed to be as comfortable as they are secure. Each features gentle outer leg gathers and flexible hook tabs that can refasten anywhere on the brief. A premium acquisition layer and dual-core performance help quickly absorb fluids and pull wetness away from the skin for better odor control and less irritation.

Underwear

McKesson Brand underwear pulls on and off like regular underwear, with a cloth-like stretch waist and tear-away sides that make each pair easy to remove. A premium acquisition layer rapidly absorbs fluids, while dual-core performance locks wetness away. Patients can rest easy with premium odor control that prevents odors from forming.

Liners and Pads

McKesson Brand liners and pads offer outstanding coverage and comfort. Each is made up of a soft, cloth-like inner and outer material, and is held in place with an adhesive patch. A contoured shape provides extra leak protection, while an inner shield quickly absorbs fluids into the core with the help of an absorbent polymer.
