

TENA® Stretch Super Briefs

For Maximum Incontinence Protection...

The unique combination of stretch sides with full-length hook fasteners provides a secure, individualized “stay in place” fit. This easily customizable fit reduces product gapping and sagging for improved comfort, security and effective leakage control. Ideal for restorative care, the briefs can be changed using the fastening system or pulled up and down like protective underwear. Soft nonwoven material promotes skin health and wearer comfort.

- New pack design for easy product navigation.
- New printed backsheet makes product selection easy and accurate, along with a scannable barcode to support care efficiencies and stock management.
- Extended wear protection.

**New look,
Same great
protection!**

Stretch Super												

For the User:
A comfortable, discreet and secure solution which keeps the skin dry.

For the Carer:
Easy to fit and change. Color-coded for correct product selection.

For the Purchaser:
Less frequent changing and a greater flexibility in choice of protection level help control costs.

Feature

- Fully Breathable Stretch Sides
- InstaDri Skin-caring System™
- Fortified with Odor Control Technology
- Multifunctional Design
- TENA® Sure Stay Wide Hook System
- Unique Printed Backsheet with Scannable Barcode

Benefit

- Breathable sides promote skin health and wearer comfort. Secure, individualized fit for effective leakage control and comfortable wearer experience.
- Blue Target Absorption Zone quickly wicks moisture away from the skin, protecting against leakage for comfort and dignity.
- Super-absorbent polymers help reduce odor and lock away liquids.
- Ideal for restorative care, the briefs can be changed using the fastening system, or pulled up and down like protective underwear.
- Easy-to-use wide hook fasteners along the length of the side panel deliver unlimited and secure fastening.
- Makes selecting the correct product easy, while barcode aids consumption tracking and inventory management.
