

Cardinal Health™ NPWT Disposables and Accessories

We offer a variety of disposables and accessories for all of your Cardinal Health™ NPWT devices.

Wound dressings

- Black foam kit
Includes:
 - Black foam — open cell, reticulated, hydrophobic, high tensile strength
(Available in small, medium, large and extra-large sizes)
 - Polyurethane drape — easy to apply, semi-permeable for breathability
 - SpeedConnect™ tubing — low-profile flange, pliable, designed to resist kinking
- White foam — hydrophilic, high density, small pore size, flexible when wet or dry, no need to wet the foam prior to placement
(Available in standard and large sizes)
