

QUALITY, VALUE AND INNOVATION IN WOUND CARE.

You're challenged daily to care for wounds, helping patients heal and avoid infection. You need high quality, high performance products. We can help.

Our extensive wound care portfolio offers an array of options to meet your needs—from gauze bandages and specialty dressings to tapes and adhesives.

We're always looking for ways to improve our products through innovation. Whether you're looking to reduce cross-contamination, save space or improve efficiency, we have just what you need. Here are a few of our latest innovations:

- » Gauze pads with rulers right on the packaging to save clinicians' time
- » ABD pads are folded in thirds rather than halves to save space
- » Our Bulkee® gauze roll is ultra soft with more crimps per inch for better stretching and greater patient comfort

Our products deliver top level performance and quality in the industry—and they're smartly priced.

Table of Contents

Absorbency	4-16
Preserve	17-18
Protection	19-28
Securement	29-41
Cross Reference	42-55

A tiered product approach for every need.

Medline's Premium products are the most feature-rich items that we carry. Medline Essentials are of equal performance, but designed to be the most cost effective.

ABSORBENCY

Contains drainage

Woven Gauze Sponges

100% cotton.

- » Ideal for wound dressings, wound packing and general wound care
- » Strictly controlled manufacturing assures clean, debris-free packing with folded edges to prevent unraveling
- » Sterile 2's packed in coated paper envelopes to reduce fiber debris
- » Easy-open envelopes carefully sealed to prevent the intrusion of dust and contaminants
- » Not made with natural rubber latex

PREMIUM

- » "H fold" design offers a premium approach to minimizing loose threads and lint"

Deluxe Non-Woven Gauze Sponges

Unique rayon and polyester blend
Our most absorbent line

- » Unique rayon and polyester blend provides strength and absorbency
- » Increased material weight helps provide a more efficient sponge than our Medline Essentials line by reducing the number of sponges that have to be used for each procedure
- » Not made with natural rubber latex
- » Unique benefits compared to woven cotton gauze:
 - Low linting
 - Increased absorbency
 - Fast wicking
 - Economical
 - Less traumatic to granulating tissue
