Pitch-It® IV Poles

Pitch-It Pole #30007, **Pitch-It Pole Sr.** #30006

A convenient, affordable option for IV therapy, Pitch-It IV Poles quickly assemble and easily fold up and store once therapy is complete.

Ready for use in just seconds with their innovative tripod design, Pitch-It IV Poles are perfect for IV therapy in the home or in a healthcare setting. They eliminate the retrieval, cleaning, bagging and tagging of old IV poles. Simply use and pitch it when therapy is completed. Pitch-It IV Poles are cost-effective, portable, lightweight, sturdy and easy to use.

ADVANTAGES

- No assembly required, saving you time
- Perfect for using anywhere IV sedation or infusion is provided with infrequent use or limited space
- Made from 100% recycled materials for an environmentally-friendly solution
- Lower shipping costs than traditional IV poles, making Pitch-Its more cost-effective
- Lower cube packaging – lower handling cost
- Enhanced hook design, ensuring safe placement of ambulatory and enteral pumps
- Five casters for easy mobility*
- Locking pin for increased stability*
