

For more than 30 years, Thick-It® products have been a fixture in hospitals, nursing homes and rehabilitation facilities and recommended by healthcare professionals. These innovative, high-quality and reliable products offer great tasting solutions for people with swallowing difficulties.

Foodservice Solutions for Those on the Frontlines of Dysphagia Care

Thick-It® Original Foodservice Food & Beverage Thickener is cornstarch-based, fast-mixing, and easily digestible. Consistent and easy to use, foodservice professionals can thicken hot and cold beverages and pureed foods without altering flavor.

Thick-It® Original Foodservice is available in a variety of sizes and International Dysphagia Diet Standardization Initiative (IDDSI) compliant levels of thickness for use in the kitchen or facility. The Thick-It® brand also offers a full-line of dysphagia products including xanthan-based ready-to-drink beverages and fully cooked, ready-to-eat purées.
