With Diverter Valve

**Product #:** FGB21586 0000

**UPC:** 086876148954

**Product Dims:** 8" x 2.5" x 2"

**Retail Specs:** 6.75" x 9.75" x 2.25"

**MSRP:** \$45.14

The Hand Held Shower Spray with Diverter Valve allows the user to bathe while sitting on a bath bench in the shower or tub. It features an extra-long 84 inch reinforced nylon hose. A convenient pause function valve provides easy control of water flow. It includes a diverter valve which allows you switch between the existing shower head and the hand held shower spray. This shower spray is EPA WaterSense certified.

- Extra-long 84" nylon reinforced hose
- Convenient pause valve to control water flow
- Includes diverter valve to alternate between shower head and hand held shower spray
