Care
Together

Providing care since 1984.

DEPEND® and POISE® are market leaders in continence care. From our first continence product launch in Australia in 1984, we now have a range that spans across 40 unique items catering to every level of incontinence, helping you provide the ultimate level of comfort and protection for those with incontinence.

From developing gender specific products to new technologies, we're committed to always supporting you with products and resources that help you support others.

That's why we've created a new support program called DEPENDCARE™. DEPENDCARE™ is an online resource centre dedicated to continence care. Members of DEPENDCARE™ can access online continence care resources, receive regular newsletters and order POISE® and DEPEND® samples.

To join the DEPENDCARE™ community today or find out more about our comprehensive range of continence products, visit [DependCare.com.au](https://www.dependcare.com.au)

At DEPENDCARE™, we care together.

POISE® liners provide thin, discreet protection for light bladder leakage. They are more absorbent than leading period liners, with a four layer design that absorbs and locks away wetness into a super absorbent ABSORB-LOC® core. The soft, quick-dry and breathable cover of POISE® liners provide all day comfort.

At Kimberly-Clark, sustainability is a key element of our company's heritage, our business strategy and our vision to lead the world in essentials for a better life. Our commitments and actions are motivated by our company values and desire to create a better future. We're not just here to provide essentials for a better life today – but to make tomorrow better too.

Our Australian sustainability goals are structured across five key priority areas:

READER'S DIGEST MOST TRUSTED BRANDS

In 2018, Kimberly-Clark Australia was awarded Reader's Digest recognition for having the most trusted brands for continence management.

The new DEPENDCARE™ community is a dedicated online continence care program designed to support you in caring for those with incontinence. By registering, you'll have access to:

- Online resources, folders and printable client handouts.
- The DEPENDCARE™ Sampling program.
- Community Bags that are kitted with client handouts and samples.
- Support from the DEPENDCARE™ team of specialist nurses and continence experts.

To join, visit dependcare.com.au and register to receive access to this new program.

SUPPORTING RESIDENTIAL CARE PROFESSIONALS

The Kimberly-Clark team of continence nurse advisors, registered nurses and aged care professionals are here to support residential care professionals with expert, practical advice.

The Partnership Program includes tools and facilities to empower staff to offer superior continence management. The program includes:

- Time-saving forms to ensure accreditation standards are met.
- DEPEND® and POISE® continence products for superior protection.
- Face-to-face and online educational programs designed by experienced continence experts.
- Online tools to help make ordering easier.
