Table of Contents

At Dr. Comfort we understand the importance of foot care and are committed to helping people get back on their feet. Our shoes are available online and through healthcare providers who specialize in foot health. Proper footwear can help prevent more serious complications for those at risk. If you qualify, Medicare or other insurances may help cover the cost*.

*Your doctor or one of our providers can help determine if you qualify. For more information visit drcomfort.com or call us at 800.556.5572.
