

F Kinesio® Gold FP™ Developed Exclusively for HealthCare Professionals

Over 30 years of research and development has yielded this new, innovative therapeutic tape with a patented FingerPrint wave. **Kinesio® Gold FP™** combines the same core properties of Kinesio® Tex Classic with major enhancements in stimulation, grip, comfort, fabric quality, medical grade adhesive and the manufacturing process.

Improved Kinesio® Gold FP™ Enhancements

- Patented FingerPrint technology encourages nano-touch micro-stimulation to the epidermis and tissue layers beneath.
- Medical grade adhesive.
- Higher quality cotton material and thread count improves breathability and comfort.
- Single rolls are available in 1", 2", or 3" (2.5, 5 or 7.5cm) widths. All rolls measure 16.4' (5m) in length. Bulk rolls available in 2" (5cm) widths only.

THE *Original* KINESIO TAPE

Kinesio® Gold FP™ Fingerprint Advantages

Core properties remain for all Kinesio Taping® specifications

- Brings Nano-touch™ stimulation to epidermis and layers beneath.
- Mimics gentle human touch yet provides a more effective hold.
- Micro-grip™ deep set adhesive manufacturing process provides better grip and hold with less adhesive surface area.
- Higher grade cotton with more breathability.
- Features a new protected weave process for improved comfort.
- Hypoallergenic and latex free for all patient populations.

KINESIO® REEVOLUTION
Developed to mimic and stimulate human skin

Most credible advancement in human touch stimulation
