STAY-ON HEEL PROTECTOR

Re-Order #

Unit

503050

Pair

503060

Dz./Pr.

When keeping heel protectors on your patient is a problem, the Stay-On Heel Protector is the solution. The oversized design plus the slide-lock buckle closure make this pad difficult to kick off. Made from a double layer of plush synthetic sheepskin for superior pressure relief and anti-decubitus protection.

LAUNDERING

The Stay-On Heel Protects may be laundered and dried at temperatures up to 180°F (82°C). Bleaching is not recommend.
