DIAPERS

## Little Snugglers

**Outstanding care for  
baby's delicate skin**

## Outstanding Care for Newborn Skin

Developed in partnership with NICU nurses to meet the delicate skin care needs of newborns in well-baby and NICU areas. Designed to lock away wetness to help minimize excessive moisture that contributes to skin breakdown and irritation.

## Better for Baby

### Skin Protection

Super-absorbent material quickly draws wetness away from baby's delicate skin. Premium liner and intake layer absorb runny BM to minimize irritation. Wetness indicator helps monitor moisture.

### Gentle, Comfortable Fit

Narrow crotch and cottony-soft, absorbent pad conform to baby's unique shape in support of healthy growth and development. Soft, overlapping fasteners provide gentle stretch for an adjustable fit. Umbilical cord cut-out helps keep the area clean and dry.

### Hypoallergenic, Fragrance Free and Latex Free

## Ordering Information:

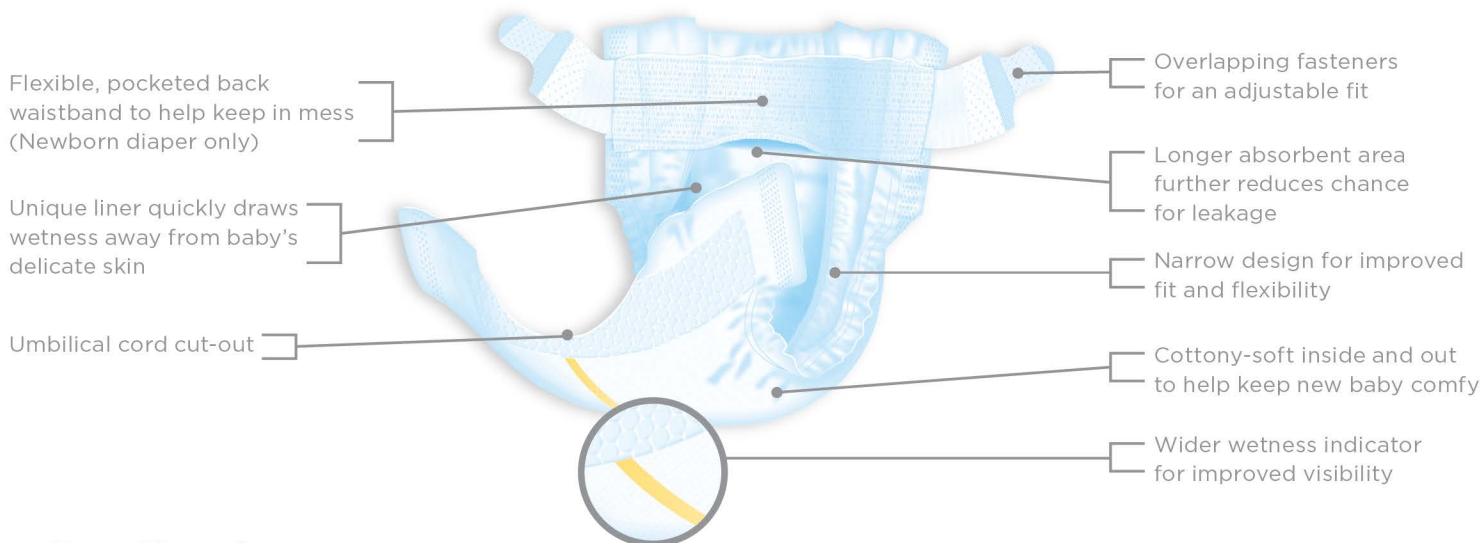

### Little Snugglers Preemie

- Product Code 67330  
30 count package, 6 count case
- For babies up to 6 lbs

### Little Snugglers Newborn

- Product Code 52238  
24 count package, 12 count case
- For babies up to 10 lbs
