

Introducing our Lite Breathable Brief

Incontinence care can be costly and complicated. Our incontinence products can help you make the challenges of managing incontinence easier on your staff and your business, with products that are the same or better quality as leading national brands.

New to the McKesson incontinence portfolio, our Lite Breathable Briefs feature soft, breathable, cloth-like fabric and gentle leg gathers that help provide comfort and dignity to your patients. The premium acquisition layer absorbs fluid into the core, while advanced dual-core performance locks in wetness and reduces urine pH for improved odor control and skin wellness.
