

A close-up photograph of a woman with dark hair, smiling and sleeping peacefully in a bed. She is covered with a blue blanket. The background shows blue pillows and bedding. In the top right corner, there is a dark blue rounded rectangle containing the 'sleep &' logo in white.

sleep &TM

**Better sleep,
better health.**

Your CPAP's Sanitizing Companion.

Sleep8 is a portable, virtually silent device that sanitizes all CPAP machines and accessories - getting germs out, and keeping wellness in.

Clean with One Click.

Just press start and Sleep8 will do the rest.
Once your CPAP and accessories are fully sanitized,
it automatically turns off.

Speedy Sanitization.

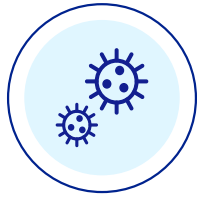

In minutes, Sleep8 will have your CPAP completely sanitized using our waterless, chemical-free Activated Oxygen System.

Travel Friendly.

With a rechargeable battery, Sleep8 is small enough to take on-the-go.

Goodbye Germs.

Sleep8 kills more than 99% of bacteria that may lead to mold, sinus issues, and sickness.

Completely Compatible.

You can trust Sleep8 to sanitize all PAP devices including masks, heated and non-heated tubing, and water chambers. No adaptors needed.

**The same sanitizing technology
trusted by these industries:**

Hospital

Food

Water

Skincare

**Contact us to see how you can
become a provider of Sleep8.**
