Elevate the Restroom with Our Trusted, Familiar Brands

Very few locations within a facility impact satisfaction as much as the restroom. A positive experience can drive customer loyalty and increase revenue. A negative experience can have a truly damaging effect. Have you ever thought about what the restroom could do to your bottom line?

Consider this:

• Restrooms are one of the top three sources of complaints.

• Two-thirds of visitors say an unhygienic restroom lowers their impression of a facility overall.

• The average restroom is visited three to four times a day per person, leading to more than 1.1 million opportunities in a typical-size facility to impress or disappoint.

But there are solutions that can turn your restroom into an asset: **consumer-preferred, trusted brands such as Scott®, Kleenex® and Cottonelle® Brands.**

An Innovative Approach

We bring a unique value to your restroom because we organize our systems based on your needs. We offer four distinct solutions for your restrooms, making it easier than ever to choose the right products for your facility.

Frequently Asked Questions

1. What dispensers are covered by the Kimberly-Clark Professional Lifetime Warranty†?
The Lifetime Warranty† program includes all Kleenex® and Scott® Branded Towel, Tissue, and Skin Care Dispensers.

2. Do I have to order new dispensers to qualify?
No. To make the program as simple as possible, both new and existing dispensers qualify.

3. How do I register my dispensers?
There's no need to sign up. Eligible dispensers are automatically registered. Use Kleenex®, Scott® and Cottonelle® Brand towel, tissue and skin care products in the dispensers.

4. What does the warranty cover?
The warranty covers defects in workmanship and materials under normal use as long as you are exclusively using Kimberly-Clark Professional products for the dispensers. However, the warranty does not cover batteries or misuse, vandalism and/or other user-caused damage.

5. Is it easy to file a claim?
We've made it as easy as can be. Simply contact your Kimberly-Clark Professional representative or Customer Care Solutions at 1-888-346-4652 or KCPInfo@kcc.com. Or, file online at **www.KCProfessional.com/contact-us/**.

6. What details do you need to process my claim?
Our team will need your contact information, the Kimberly-Clark Professional product numbers you use and the dispenser information (model number, lot code number and date code – all found on a sticker inside the unit). They'll work with you to determine the best way to resolve your issue, either through parts or full unit replacement.

7. Since I order dispensers through my distributor, do I need to contact them?
No, you can contact your Kimberly-Clark Professional representative or Customer Care Solutions directly at **1-888-346-4652** or **KCPInfo@kcc.com.**

8. Do I have to ship the dispenser back?
Once the issue is resolved, we may ask you send us the old dispenser. If so, we'll provide a prepaid shipping label. Rest assured, we'll make sure you have a working dispenser before asking you to take the old one down. It's that EASY!
