

**THROW GERMS OUT
WITH THE BATH WATER.**

ReadyBath® Bathing Cloths
A cleaner, gentler experience for your patients

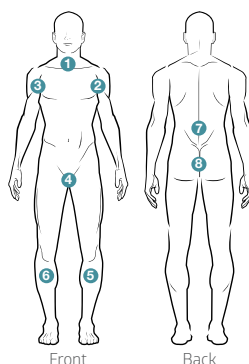

AVOID GERMS HIDDEN INSIDE BATHING BASINS.

Basin baths with soap and water can carry bacteria and other microorganisms. In a published study, 98% of all basins tested across 3 healthcare facilities grew bacteria – including *S. aureus*, MRSA and *E. coli*.¹ ReadyBath reduces the risk of cross contamination and provides a comforting, effective bedside bath.

Improve the patient experience.

ReadyBath's gentle no-rinse formulation leaves skin feeling smooth and healthy as it cleanses and moisturizes. No more harsh soaps and rough washcloths. Each pack contains 8 cloths to cleanse 8 key areas of the body. This step-by-step protocol enhances dignity so patients can remain covered except for the specific area being cleaned.

8 Key Areas of the Body

Item No.	Description	Pkg.
MSC095309	ReadyBath Bathing Cloths, 8 x 8-in.	8 ea/pk, 30 pk/cs

Ask about our ReadyBath Warmer
